AN ACT

AMENDING SECTION 42-5075, ARIZONA REVISED STATUTES; RELATING TO TRANSACTION PRIVILEGE TAX.

(TEXT OF BILL BEGINS ON NEXT PAGE)
Be it enacted by the Legislature of the State of Arizona:

Section 1. Section 42-5075, Arizona Revised Statutes, is amended to read:

42-5075. Prime contracting classification; exemptions; definitions

A. The prime contracting classification is comprised of the business of prime contracting and dealership of manufactured buildings. Sales for resale to another dealership of manufactured buildings are not subject to tax. Sales for resale do not include sales to a lessor of manufactured buildings. The sale of a used manufactured building is not taxable under this chapter. The proceeds from alteration and repairs to a used manufactured building are taxable under this section.

B. The tax base for the prime contracting classification is sixty-five per cent of the gross proceeds of sales or gross income derived from the business. The following amounts shall be deducted from the gross proceeds of sales or gross income before computing the tax base:

1. The sales price of land, which shall not exceed the fair market value.

2. Sales and installation of groundwater measuring devices required under section 45-604 and groundwater monitoring wells required by law, including monitoring wells installed for acquiring information for a permit required by law.

3. The sales price of furniture, furnishings, fixtures, appliances, and attachments that are not incorporated as component parts of or attached to a manufactured building or the setup site. The sale of such items may be subject to the taxes imposed by article 1 of this chapter separately and distinctly from the sale of the manufactured building.

4. The gross proceeds of sales or gross income received from a contract entered into for the construction, alteration, repair, addition, subtraction, improvement, movement, wrecking or demolition of any building, highway, road, railroad, excavation, manufactured building or other structure, project, development or improvement located in a military reuse zone for providing aviation or aerospace services or for a manufacturer, assembler or fabricator of aviation or aerospace products within an active military reuse zone after the zone is initially established or renewed under section 41-1531. To be eligible to qualify for this deduction, before beginning work under the contract, the prime contractor must have applied for a letter of qualification from the department of revenue.

5. The gross proceeds of sales or gross income derived from a contract to construct a qualified environmental technology manufacturing, producing or processing facility, as described in section 41-1514.02, and from subsequent construction and installation contracts that begin within ten years after the start of initial construction. To qualify for this deduction, before beginning work under the contract, the prime contractor must obtain a letter of qualification from the department of revenue. This paragraph shall apply
for ten full consecutive calendar or fiscal years after the start of initial
construction.

6. The gross proceeds of sales or gross income from a contract to
provide for one or more of the following actions, or a contract for site
preparation, constructing, furnishing or installing machinery, equipment or
other tangible personal property, including structures necessary to protect
exempt incorporated materials or installed machinery or equipment, and
tangible personal property incorporated into the project, to perform one or
more of the following actions in response to a release or suspected release
of a hazardous substance, pollutant or contaminant from a facility to the
environment, unless the release was authorized by a permit issued by a
governmental authority:

(a) Actions to monitor, assess and evaluate such a release or a
suspected release.
(b) Excavation, removal and transportation of contaminated soil and
its treatment or disposal.
(c) Treatment of contaminated soil by vapor extraction, chemical or
physical stabilization, soil washing or biological treatment to reduce the
concentration, toxicity or mobility of a contaminant.
(d) Pumping and treatment or in situ treatment of contaminated
groundwater or surface water to reduce the concentration or toxicity of a
contaminant.
(e) The installation of structures, such as cutoff walls or caps, to
contain contaminants present in groundwater or soil and prevent them from
reaching a location where they could threaten human health or welfare or the
environment.

This paragraph does not include asbestos removal or the construction or use
of ancillary structures such as maintenance sheds, offices or storage
facilities for unattached equipment, pollution control equipment, facilities
or other control items required or to be used by a person to prevent or
control contamination before it reaches the environment.

7. The gross proceeds of sales or gross income that is derived from a
contract entered into for the installation, assembly, repair or maintenance
of machinery, equipment or other tangible personal property that is deducted
from the tax base of the retail classification pursuant to section 42-5061,
subsection B, or that is exempt from use tax pursuant to section 42-5159,
subsection B, and that does not become a permanent attachment to a building,
highway, road, railroad, excavation or manufactured building or other
structure, project, development or improvement. If the ownership of the
realty is separate from the ownership of the machinery, equipment or tangible
personal property, the determination as to permanent attachment shall be made
as if the ownership were the same. The deduction provided in this paragraph
does not include gross proceeds of sales or gross income from that portion of
any contracting activity which consists of the development of, or
modification to, real property in order to facilitate the installation,
assembly, repair, maintenance or removal of machinery, equipment or other tangible personal property that is deducted from the tax base of the retail classification pursuant to section 42-5061, subsection B or that is exempt from use tax pursuant to section 42-5159, subsection B. For the purposes of this paragraph, "permanent attachment" means at least one of the following:

(a) To be incorporated into real property.

(b) To become so affixed to real property that it becomes a part of the real property.

(c) To be so attached to real property that removal would cause substantial damage to the real property from which it is removed.

(b) All state and local transaction privilege tax returns for the period of time during which the prime contractor received gross proceeds of sales or gross income from a contract to construct a lake facility development in a designated commercial enhancement reuse district, showing the amount exempted from state and local taxation.

(c) Any other information that the department considers to be necessary.

9. The gross proceeds of sales or gross income attributable to the purchase of machinery, equipment or other tangible personal property that is exempt from or deductible from transaction privilege and use tax under:

The gross proceeds of sales or gross income received from contracts entered into before July 1, 2006 for constructing a state university research infrastructure project if the project has been reviewed by the joint committee on capital review before the university enters into the construction contract for the project. infrastructure, public safety and other public services to a development.

C. Entitlement to the deduction pursuant to subsection B, paragraph 7 8
of this section is subject to the following provisions:

1. A prime contractor may establish entitlement to the deduction by 9
both:

(a) Marking the invoice for the transaction to indicate that the gross 10
proceeds of sales or gross income derived from the transaction was deducted 11
from the base.

(b) Obtaining a certificate executed by the purchaser indicating the 12
name and address of the purchaser, the precise nature of the business of the 13
purchaser, the purpose for which the purchase was made, the necessary facts 14
to establish the deductibility of the property under section 42-5061, 15
subsection B, and a certification that the person executing the certificate 16
is authorized to do so on behalf of the purchaser. The certificate may be 17
disregarded if the prime contractor has reason to believe that the 18
information contained in the certificate is not accurate or complete.

2. A person who does not comply with paragraph 1 of this subsection 19
may establish entitlement to the deduction by presenting facts necessary to 20
support the entitlement, but the burden of proof is on that person.

3. The department may prescribe a form for the certificate described 21
in paragraph 1, subdivision (b) of this subsection. The department may also 22
adopt rules that describe the transactions with respect to which a person is 23
not entitled to rely solely on the information contained in the certificate 24
provided in paragraph 1, subdivision (b) of this subsection but must instead 25
obtain such additional information as required in order to be entitled to the 26
deduction.

4. If a prime contractor is entitled to a deduction by complying with 27
paragraph 1 of this subsection, the department may require the purchaser who 28
caused the execution of the certificate to establish the accuracy and 29
completeness of the information required to be contained in the certificate 30
which would entitle the prime contractor to the deduction. If the purchaser 31
cannot establish the accuracy and completeness of the information, the 32
purchaser is liable in an amount equal to any tax, penalty and interest which 33
the prime contractor would have been required to pay under article 1 of this 34
chapter if the prime contractor had not complied with paragraph 1 of this 35
subsection. Payment of the amount under this paragraph exempts the purchaser 36
from liability for any tax imposed under article 4 of this chapter. The
amount shall be treated as a transaction privilege tax to the purchaser and
as tax revenues collected from the prime contractor in order to designate the
distribution base for purposes of section 42-5029.

D. Subcontractors or others who perform services in respect to any
improvement, building, highway, road, railroad, excavation, manufactured
building or other structure, project, development or improvement are not
subject to tax if they can demonstrate that the job was within the control of
a prime contractor or contractors or a dealership of manufactured buildings
and that the prime contractor or dealership is liable for the tax on the
gross income, gross proceeds of sales or gross receipts attributable to the
job and from which the subcontractors or others were paid.

E. Amounts received by a contractor for a project are excluded from
the contractor's gross proceeds of sales or gross income derived from the
business if the person who hired the contractor executes and provides a
certificate to the contractor stating that the person providing the
certificate is a prime contractor and is liable for the tax under article 1
of this chapter. The department shall prescribe the form of the certificate.
If the contractor has reason to believe that the information contained on the
certificate is erroneous or incomplete, the department may disregard the
certificate. If the person who provides the certificate is not liable for
the tax as a prime contractor, that person is nevertheless deemed to be the
prime contractor in lieu of the contractor and is subject to the tax under
this section on the gross receipts or gross proceeds received by the
contractor.

F. Every person engaging or continuing in this state in the business
of prime contracting or dealership of manufactured buildings shall present to
the purchaser of such prime contracting or manufactured building a written
receipt of the gross income or gross proceeds of sales from such activity and
shall separately state the taxes to be paid pursuant to this section.

G. For the purposes of section 42-5032.01, the department shall
separately account for revenues collected under the prime contracting
classification from any prime contractor engaged in the preparation or
construction of a multipurpose facility, and related infrastructure, that is
owned, operated or leased by the tourism and sports authority pursuant to
title 5, chapter 8.

H. The gross proceeds of sales or gross income derived from a contract
for lawn maintenance services are not subject to tax under this section if
the contract does not include landscaping activities. Lawn maintenance
service is a service pursuant to section 42-5061, subsection A, paragraph 1,
and includes lawn mowing and edging, weeding, repairing sprinkler heads or
drip irrigation heads, seasonal replacement of flowers, refreshing gravel,
lawn de-thatching, seeding winter lawns, leaf and debris collection and
removal, tree or shrub pruning or clipping, garden and gravel raking and
applying pesticides, as defined in section 3-361, and fertilizer materials,

Landscaping includes installing lawns, grading or leveling ground, installing gravel or boulders, planting trees and other plants, felling trees, removing or mulching tree stumps, removing other imbedded plants, building or modifying irrigation berms, repairing sprinkler or watering systems, installing railroad ties and installing underground sprinkler or watering systems.

J. The portion of gross proceeds of sales or gross income attributable to the actual direct costs of providing architectural or engineering services that are incorporated in a contract is not subject to tax under this section. For the purposes of this subsection, "direct costs" means the portion of the actual costs that are directly expended in providing architectural or engineering services.

K. Operating a landfill or a solid waste disposal facility is not subject to taxation under this section, including filling, compacting and creating vehicle access to and from cell sites within the landfill. Constructing roads to a landfill or solid waste disposal facility and constructing cells within a landfill or solid waste disposal facility may be deemed prime contracting under this section.

L. The following applies to manufactured buildings:
   1. For sales in this state where the dealer of manufactured buildings contracts to deliver the building to a setup site or to perform the setup in this state, the taxable situs is the setup site.
   2. For sales in this state where the dealer of manufactured buildings does not contract to deliver the building to a setup site or does not perform the setup, the taxable situs is the location of the dealership where the building is delivered to the buyer.
   3. For sales in this state where the dealer of manufactured buildings contracts to deliver the building to a setup site that is outside this state, the situs is outside this state and the transaction is excluded from tax.

M. Notwithstanding subsection N, paragraph 8 of this section, a person owning real property who enters into a contract for sale of the real property, who is responsible to the new owner of the property for modifications made to the property in the period subsequent to the transfer of title and who receives a consideration for the modifications is considered a prime contractor solely for purposes of taxing the gross proceeds of sale or gross income received for the modifications made subsequent to the transfer of title. The original owner’s gross proceeds of sale or gross income received for the modifications shall be determined according to the following methodology:
   1. If any part of the contract for sale of the property specifies amounts to be paid to the original owner for the modifications to be made in the period subsequent to the transfer of title, the amounts are included in the original owner’s gross proceeds of sale or gross income under this...
SECTION. PROCEEDS FROM THE SALE OF THE PROPERTY RECEIVED AFTER TRANSFER OF
TITLE THAT ARE UNRELATED TO THE MODIFICATIONS MADE SUBSEQUENT TO THE TRANSFER
OF TITLE WILL NOT BE CONSIDERED GROSS PROCEEDS OF SALE OR GROSS INCOME FROM
THE MODIFICATIONS.

2. IF THE ORIGINAL OWNER ENTERS INTO AN AGREEMENT SEPARATE FROM THE
CONTRACT FOR SALE OF THE REAL PROPERTY PROVIDING FOR AMOUNTS TO BE PAID TO
THE ORIGINAL OWNER FOR THE MODIFICATIONS TO BE MADE IN THE PERIOD SUBSEQUENT
TO THE TRANSFER OF TITLE TO THE PROPERTY, THE AMOUNTS ARE INCLUDED IN THE
ORIGINAL OWNER'S GROSS PROCEEDS OF SALE OR GROSS INCOME RECEIVED FOR THE
MODIFICATIONS MADE SUBSEQUENT TO THE TRANSFER OF TITLE.

3. IF THE ORIGINAL OWNER IS RESPONSIBLE TO THE NEW OWNER FOR
MODIFICATIONS MADE TO THE PROPERTY IN THE PERIOD SUBSEQUENT TO THE TRANSFER
OF TITLE AND DERIVES ANY GROSS PROCEEDS OF SALE OR GROSS INCOME FROM THE
PROJECT SUBSEQUENT TO THE TRANSFER OF TITLE OTHER THAN A DELAYED DISBURSEMENT
FROM ESCROW UNRELATED TO THE MODIFICATIONS, IT IS PRESUMED THAT THE AMOUNTS
ARE RECEIVED FOR THE MODIFICATIONS MADE SUBSEQUENT TO THE TRANSFER OF TITLE
UNLESS THE CONTRARY IS ESTABLISHED BY THE OWNER THROUGH ITS BOOKS, RECORDS
AND PAPERS KEPT IN THE REGULAR COURSE OF BUSINESS.

4. THE TAX BASE OF THE ORIGINAL OWNER IS COMPUTED IN THE SAME MANNER
AS A PRIME CONTRACTOR UNDER THIS SECTION.

2. "Contractor" is synonymous with the term "builder" and means any

B. Any claim for refund of transaction privilege tax based on the retroactive application of section 42-5075, subsections M and N, Arizona Revised Statutes, as amended by this act, must be submitted to the department of revenue on or before December 31, 2007, pursuant to section 42-1118, Arizona Revised Statutes. A failure to file a claim on or before December 31, 2007 constitutes a waiver of the claim for refund under this section.

If the aggregate amount of the claims under this section that are ultimately determined to be correct exceeds ten thousand dollars, then each claim shall be proportionately reduced so that the total refund amount equals ten thousand dollars. Amounts due under this section shall not be refunded unless the taxpayer requesting the refund provides evidence satisfactory to the department of revenue that amounts of tax and interest collected from other persons by the taxpayer will be returned to those persons.

The use of the newly defined terms “modification” and “modify” to encompass activities provided for under section 42-5075, subsection M, Arizona Revised Statutes, as it existed prior to this act, and the substitution of the word “person” as defined in section 42-5001, Arizona Revised Statutes, for the words “firm, partnership, corporation, association or other” under section 42-5075, subsection M, Arizona Revised Statutes, as
it existed prior to this act, are nonsubstantive changes intended merely to facilitate ease of reading and the understandability of the affected provisions. The two changes discussed in this section shall not be interpreted as altering the meaning or scope of section 42-5075, Arizona Revised Statutes.

E. This section does not extend the statute of limitations for assessment or refund beyond that which is open under sections 42-1104 and 42-1106, Arizona Revised Statutes.

F. If any part of this section is finally adjudicated to be invalid, the entire section is void. The provisions of this section are intended to be nonseverable.
